

UNITED EQUITY Item # 20004

PIG FINISHER

Contains a source of phytase derived from *Trichoderma reesei*. Phytase increases the digestibility of phytin-bound phosphorus in Swine starter diets.

INGREDIENTS

Grain products, plant protein products, vegetable oil, calcium carbonate, calcium phosphate, salt, L-lysine, L-threonine, potassium chloride, sodium bentonite, ferrous sulfate, DL-methionine, tryptophan, zinc oxide, manganese sulfate, copper sulfate, roughage products, vitamin E supplement, selenium yeast, roughage products, vitamin E supplement, copper sulfate, manganese oxide, calcium sulfate, niacin supplement, sodium aluminosilicate, dried *Trichoderma reesei* fermentation product (phytase), calcium pantothenate, riboflavin supplement, menadione sodium bisulfite complex (source of vitamin K activity), mineral oil, vitamin A supplement, vitamin B-12 supplement, vitamin D-3 supplement, and ethylenediamine dihydroiodide.

AVAILABLE IN 50 lb (22.69 kg) BAGS or BULK.

FEEDING DIRECTIONS

Feed as the sole ration to finishing pigs weighing 220 pounds to desired finish weight. Always supply a source of fresh, clean water.

- Formulated using the same ingredients throughout specifically formulated for each life stage. Starting with our Pig Starter and continuing through all stages – allowing your pigs to make smooth transitions from one step to the next.
- Second-to-none optimized amino acid levels, which are critical to any feeding program.
- **Sel-Plex[®]**, an organic form of Selenium.
- Feed United Equity Pig Finisher from 220 lbs to desired finish weight.

GUARANTEED ANALYSIS

Crude Protein, min	11.6 %
Lysine, min	0.7 %
Crude Fat, min	4.5 %
Crude Fiber, max	4.0 %
Calcium, min	0.2 %
Calcium, max	0.7 %
Phosphorus, min	0.3 %
Salt, min	0.2 %
Salt, max	0.7 %
Selenium, min	0.27 ppm
Zinc, Min	109 ppm
Phytase, min	*247.0 FTU/lb

* One unit of phytase activity (FTU) is defined as the quantity of enzyme which liberates 1 micromol of inorganic phosphorus per minute. Environmental factors such as feed pH, moisture, and processing methods such as pelleting or extrusion, may affect enzyme activity.

WARNINGS

This product, which contains added copper, should not be fed to sheep or related species that have a low tolerance to copper. This product has been formulated specifically for swine and is not intended for other species.

Caution: Follow label directions. Feeding this feed containing added selenium at levels higher than recommended is not permitted.
